RE: Meeting with Representatives of the National Futures  
Association and a Special Committee Thereof

DATE: February 25, 1998

On February 25, 1998, Alan Seifert and Duane Andresen of the Division of Trading and Markets met with Daniel A. Driscoll and Thomas W. Sexton of the NFA, Gary Alan DeWaal, Executive Vice President and General Counsel, FIMAT, and David C. Sturm, Vice President and Manager of Compliance, J.P. Morgan Futures, Inc.

During the meeting, the committee representatives discussed areas of concern with regard to the Commission's re-proposed amendment to Regulation 1.35 relating to Account Identification for Eligible Bunched Orders.
